Computer Science Summer 2021 Research Application

Instructions: Please fill out both pages of this form to apply for a summer research position in the Computer Science Department. We cannot guarantee a position, but this information will assist us in making decisions about our summer plans. You must discuss possible projects with any faculty member you may like to work with in person prior to submitting this form. Please have them initial this form after you have done so. You may express preferences for particular faculty or projects on the second page once you have discussed options with them.

Important Dates: Submission of this form to Lauren Vining: 3/01/21
Offer of position from the department: 3/05/21
Deadline for accepting the position: 3/15/21
Student Summer Research session: TBD

Name: ___________________________ Email: ___________________________

Year of Graduation: ___________ Intended or Declared Major(s): ___________________________

Relevant courses taken:

Please list any other summer research options at Williams for which you are applying.

Why are you interested in pursuing a summer research position in Computer Science?

Faculty with whom you have discussed possible research projects. Though not required, we encourage you to talk to multiple faculty members.
