Computer Science Summer 2018 Research Application

Instructions: Please fill out both pages of this form to apply for a summer research position in the Computer Science Department. We cannot guarantee a position, but this information will assist us in making decisions about our summer plans. You must discuss possible projects with any faculty member you may like to work with in person prior to submitting this form. Please have them initial this form after you have done so. You may express preferences for particular faculty or projects on the second page once you have discussed options with them.

Important Dates:

- Submission of this form to Lauren Vining: 2/19/18
- Offer of position from the department: 3/5/18
- Deadline for accepting the position: 3/19/18
- Student Summer Research session: 6/18-8/18

Name: ___________________________ Email: ___________________________

Year of Graduation: _____________ Intended or Declared Major(s): ___________________________

Relevant courses taken:

Please list any other summer research options at Williams for which you are applying.

Why are you interested in pursuing a summer research position in Computer Science?

Faculty with whom you have discussed possible research projects. Please ask at least 3 faculty members to initial this form below after you meet with them.

- Jeannie Albrecht
- Duane Bailey
- Andrea Danyluk
- Stephen Freund
- Bill Jannen
- Daniel Barowy
